

# FINANCIAL FREEDOM

I declare in the name of Jesus:

I have checks in the mail coming to me

God is my source of supply

I receive my divine inheritance from God

My bank accounts are overflowing with financial increase

I have an abundance mentality and a prosperous mindset

I have the generous nature of God

Wealth follows me wherever I turn

I owe no man nothing but to love him

I am a wise planner with my finances

I provide very well for my family and for future generations

Wealth comes to me in miraculous ways

I receive miraculous debt cancelations

Financial favor is mine everywhere I go

I receive the best interest rates

My credit scores continually increases

Unexpected money finds me

God gives me ideas to produce great wealth

I always have more than enough to meet my needs and to help others

I am blessed with an abundance of prosperity

I am enjoying a debt free life

All of my needs are met

I live to give

I am blessed to be a blessing

I receive the abundance God has for me

I love being a tither and a giver

I am enriched in everything I do

My personal income is increasing and my savings account is increasing

I am a wise steward with my finances

I can be trusted with great wealth because I am a giver

I am generous with the blessings God has given me

I am an heir to the blessings of God

I receive exceeding, abundantly, above all that I could ever ask or think

I am a money magnet

I honor God with my finances

I have more than enough
